

# Time-of-Use Rates Are Coming

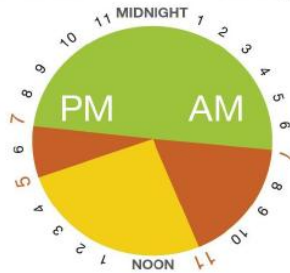

All Grimsby Power residential and small commercial customers, with the exception of those who pay for their electricity on a contract with an energy retailer, will switch over to the new Time-of-Use rate structure for electricity consumption starting on May 1, 2012 reflected on your June 2012 invoice.

**Shifting can make a difference.**

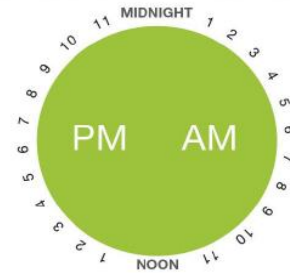

**May 1 – October 31**  
**Summer - Weekdays**

**November 1 – April 30**  
**Winter - Weekdays**

**All Year**  
**Weekends & Holidays**

There are three TOU periods

- Highest price (On-Peak)
- Mid price (Mid-Peak)
- Lowest price (Off-Peak)
