

Power Interruption

Dear Customer: Lorne Ave

In order to make improvements to the electric supply system, we will need to interrupt your service on:

Wednesday February 19, 2014

Between the hours of

8:00am – 2:00pm

We apologize for this inconvenience. In the case of unforeseen circumstances, inclement weather, other power outages, the interruption will take place on:

Tuesday February 25, 2014

During the same hours of the day

If we must postpone the work again, you will receive a new notice.

Please note that you may experience some short power disturbances the day before and/or the day after the work is done, as our crews prepare for and conclude their work.

In order for us to access our equipment, and to help us keep the interruption as short as possible, **please avoid parking near hydro poles and green hydro boxes (transformers) on the above day.** Also, please note that this interruption may affect:

- Security Alarms
- Elevators
- Electric Garage Door Openers
- Computers

Your patience and understanding are greatly appreciated.

If you have any questions, contact Kevin Robins, Operation Supervisor at 945-5437, Ext. 227.
